

ORCHESTRE  
DE L'AGORA

# Recognition Program

Music has the power to move, unify, and inspire people. Since its inception, the Orchestre de l'Agora has presented standout concerts and events while making a difference in its community, notably through many concert-workshops. To make this magic happen, we need the generous support of people like you.

## Why donate to Orchestre de l'Agora?

**Support  
Culture**

To further our city's cultural vitality, thereby ensuring that classical music remains accessible to everyone.

**Support the  
Community**

To help sustain our concert-workshop programs, making classical music available to marginalized individuals.

**Artistic  
Excellence**

To enable us to attract and retain talented and committed musicians so that we can continue to present quality concerts.

**Innovation  
and Boldness**

To foster the exploration of new repertoires and the development of original productions, allowing new audiences to discover classical music.

**Environment**

To give us the means to present the Gala de la Terre, a musical event to raise awareness of climate change. This unifying event supports local environmental projects that help protect the St. Lawrence River and its marine mammals, among others.
